

1 Lab Policies

1. You can work in groups but everybody should submit an individual report. The lab report is due in a week, unless specified otherwise.
2. After the due date there will be a 0.25 Points deduction per day, unless informed before.
3. You can always submit the parts for which you got less or no credit, later on during the course of the semester to get partial credit.
4. More importantly I am not looking for the correct answer, points will be awarded for the effort. You need to show the following
 - where did you start
 - what did you do
 - where did you get stuck
 - where did you research
 - for MATLAB, what other commands did you research.
5. If you are taking somebody's help please mention their name and give credit to them.

If you have any other questions, you can send me an email at vijay@ele.uri.edu or stop by the lab Kelly 201. My office hours will be posted soon.
