To My Colleagues,

Why do we teach? It is hard and complex work but we do what we do because we love doing what we do. Why unionize? This is not complicated. The issue is solidarity and affirmation. It is our charge to advocate for ourselves and support colleagues in order for all of us to maintain our intellectual and professional and personal well-being.

URI PART-TIME FACULTY
(KINGSTON & PROVIDENCE)

INVEST IN YOURSELF!!

As a part-time member of the University of Rhode Island Faculty, I declare my intention to join the American Association of University Professors. I further stipulate that I wish to establish a separate bargaining unit of the American Association of University Professors for part-time faculty at the University of Rhode Island.
