

FINAL CALL FOR PAPERS: 2017 IEEE Symposium Series on Computational Intelligence (SSCI 2017)

Ten years after the first IEEE SSCI held in Honolulu, Hawaii in 2007, we're returning to the Hilton Hawaiian Village Resort for the 2017 IEEE SSCI event, November 27 to December 1, 2017. One registration gets you into multiple concurrent symposia in key aspects of computational intelligence. Papers are already under review. You have until **August 7, 2017** to submit your paper for consideration.

List of Concurrent IEEE Symposia at IEEE SSCI 2017

- *CI in Cognitive Algorithms, Mind & Brain*
- *Deep Learning*
- *CI in Cybersecurity*
- *CI in Data Mining*
- *CI in Financial Engineering & Economics*
- *CI & Intelligent Agents*
- *Foundations of Computational Intelligence*
- *Swarm Intelligence*
- *CI in Robotic Rehabilitation and Assist. Tech.*
- *CI in Production and Logic Systems*
- *CI in Engineering Solutions*
- *Artificial Life*
- *Differential Evolution*
- *Model-Based Evolutionary Algorithms*
- *CI in Scheduling and Network Design*
- *CI for Human-like Intelligence*
- *CI in Feature Analysis, Selection, and Learning in Image and Pattern Recognition*
- *CI & Ensemble Learning*
- *CI for Security and Defense Applications*
- *Adaptive Dynamic Programming and Reinforcement Learning*
- *Robotic Intelligence in Info. Structured Spaces*
- *CI in E-Government*
- *Neuromorphic Cognitive Computing*
- *CI in Multicriteria Decision-Making*
- *CI in Control and Automation*
- *CI in Big Data*
- *Evolving and Autonomous Learning Systems*
- *CI Applications in Smart Grid*
- *CI in Wireless Systems*
- *CI in Healthcare and E-Health*
- *CI for Multimedia, Signal, and Vision Processing*

Organizing Committee:

General Chairs:	Piero Bonissone & David Fogel (USA)
Technical Program Chair:	Carlos Coello Coello (MEX)
Finance Chair:	Gary Yen (USA)
Publicity Chair:	Kay Chen Tan (Hong Kong)
Publications Chair:	Hussein Abbass (Australia)
Tutorials Chair:	Simon Lucas (UK)
Web Chair:	Haibo He (USA)

Each symposium has its own organizing committee. Visit www.ieee-ssci.org to learn more about each symposium and its own call for papers! One registration gets you access to all 31 symposia and tutorials and all symposia events.

IMPORTANT DATES

Paper Submissions: Papers are already in review. Please plan to submit your paper by August 7, 2017. After that we cannot guarantee that there will be time to review your paper. Go to www.ieee-ssci.org and find the symposium where you want to submit your work.

Author Notification: September 4, 2017

Early Registration: September 24, 2017

Bookmark: www.ieee-ssci.org See you in Hawaii! Aloha!
